Dear Fellow Hams,

We wish to acknowledge receipt of the Dedication Issue of the CRA Bulletin with thanks and extend our heartiest well-wishes for its continuance, success and expansion.

Enclosed find a copy of our own little Bulletin which is issued for and sent mainly to our Boys in service. Please excuse our corny jokes and risque stories, but the Boys seem to like them.

Will you also please convey our greetings and salutations to Mr. John A. Kiener, W8AVH, the newly elected Central Division Director.

With lots of luck to the CRA we remain with
